PART 2: FACULTY

This survey distinguishes tenure track faculty from non-tenure track faculty.

For the purposes of this survey, **tenure track faculty** are those who hold voting rights in your department and carry titles such as Assistant Professor, Associate Professor or Full Professor.

Non-tenure track faculty are typically teaching faculty who hold multi-year contracts such as Professor of the Practice; or Adjunct, Instructor, Lecturer or Visiting Professor. In this category, please distinguish full time from part-time, a new item this year.

Any additional full-time instructor not counted as tenure track or non-tenure track faculty counts as **all other full-time instructors**, e.g. tenure track faculty whose primary, voting appointment is in a different department, but who teach economics.
